English Teacher

This is why you're failing your class
Sleepyhead.

The English teacher speaks passive-aggressively. MCU of John ashamed and slouching as the kids around him snicker and giggle at him. MCU of a girl also snickering. CU of johns shamed expression becoming even more depressed.

2. INT. FULL CHEM CLASSROOM. LATER. DAY 1

MCU pan. Science teacher hands back quizzes to all the kids. Except John.

Chem Teacher
A,A,A,A, John...
See me after School .

CU of John depressed face as blurry kids laugh behind him.

3. INT. FULL PHYSICS CLASSROOM. LATER DAY 1

WS slow pan of the entire classroom as the teacher boringly preaches about temporal anomalies.

Physics Teacher
Now If we were to go back in time and change events to our will, many scientists theorize
This can rip apart the fabric of space time.
Imagine time is a piece of paper. Everytime you go back in time. Time is folding
The more ties you fold paper the easier it is to rip. Therefore if you continued to reverse time over and over again eventually it would rip.

CU of John's face falling asleep and screen fading to black very slowly. The teacher's speech becomes incoherent

4. INT. FULL ENGLISH CLASSROOM. MORNING. 1RST REPEATED DAY.

Cut from black screen to the English waking him up again.

English Teacher
This is why you’re failing your class
Sleepyhead.

CU of john perplexed looking around the classroom confused by the deja-vu.
Cut to MCU pan of Science teacher handing out papers to students

Chem Teacher
A,A,A,A, John…
See me after Class.

John is still confused. As kids laugh behind him.

Noddy Shot of John sitting in his physics class. He has a perplexed expression on his face as the camera moves towards him.

5. INT. FULL ENGLISH CLASSROOM. START OF 3RD DAY

Cut to english teacher waking him up in class

English Teacher
This is why you’re failing your class
Sleepyhead.

John Doe
don't be mad at me cuz you're so boring!

CU of paper being handed back that says A on it. Ground up view of him waltzing the halls with a grin. CU of paper being handed to him with an F. record screech and music stops. CU of his face upset. He snaps fingers. Quick flash on screen.

CU of the same paper being handed to him with A. CU on his face with a happy grin. music kicks back in.
MCU pan around as he takes notes in chem class. Music dials down for the teacher's voice.

Chem Teacher
New elements beyond Uranium are constantly being created in labs. Some elements seem to have a profound effect on gravity, and by extension, time.

Cut to the CU physics teacher handing him an A on a paper. Over the shoulder shot from the girl seeing him get an A on his paper.

6. INT SCHOOL HALLWAY. START OF FINAL DAY

Two-shot. J is standing next to his locker on the left side. The girl walks into frame from the left. Pleasant music starts. No dialogue is heard but she taps him on the shoulder and they clearly start talking.

WS pan of them walking down the halls holding hands, having a good time. Camera stops panning and they walk off screen. Pleasant music fades. A person centered in the background disappears.

MS of john and the girl walking back into frame.
OSS

Girl
Hey, me and some friends are going to see
A movie later, wanna come
Along.

John
Sure!

John speaks contentedly being that he just got on his first date with his crush

Two quick reverse shots of John and the girl looking at each other with some soft music. Suddenly (simulated via shaky cam) an earthquake starts. Isabel and John stumble to keep on their feet.

John

Oh no, an earthquake

Tilted OSS. Isabel starts to turn transparent and everyone runs out of the movie screaming

Isabel

Oh god, What's happening to me?

John

Don't worry it's going to be alright.

John says with a terrified, confused and surprised look.

Isabel

Help! I can feel myself, help

Isabel fades in John's arms, shock and horror fill his face. Destruction can be heard throughout the scene. A quick flash to when the physics teacher mentioned temporal anomalies. Cut to CU. John’s terrified expression becomes bug eyed. WS pan of John running through the school.

7. INT. EMPTY CHEM CLASSROOM

John runs under a desk and curls up into a fetal position. MS of John rocking himself back and forth in the position muttering to himself it's all a bad dream. Quick flashback of chem teacher talking about elements. MS from the new point as John stands up and looks over to a couple of beakers and chemicals. More destruction can be heard. OSS of John looking at beekers. CU of John’s face biting his lip, taking a deep breath and then

Having a confident expression to what he is doing.

Multiple MS fading into each other of John working on a new element pouring different coloring liquids into beakers. MS. of him slowly pouring a liquid into a large beaker. Also mixes other chemicals and the beaker When the liquid hits the bottom of the big beeker, smoke comes out.
